BAND'TS C'RRY AWAY DAUGHTER

Miss Domengine Rescued After Battle in Which Desperado Uses Her as Shield.

STORY OF ABDUCTION.

Forced to Walk Miles Barefoot to Lonely Cabin—One Captor Surrenders.

otill hot after Tony Loveall, one of the ACTRESS SHY AT BARE FEET. eighteen-year-old Edna Domengine, who was rescued after a rifle battle between a posse and Cleveland Rogers, one of MILWAUKEE, July 2.—Helen Ashley,

cine, a millionaire stockman and oil de nuit. hausted, his ammunition.

before 6 o'clock in the morning. At she will at the end of this week. that hour Domengine rode into the town wild-eyed and dishevelled, and aroused his friends and told them of the abduction-of how two masked men by the discharge and display of rifles, and had driven off with his daughter that the girl would be returned safe to him the following evening at Jack's S as to his sanity. Springs in Walthan Canyon, on payment of a ransom of \$5,000.

body begin shooting in the yard. Of course I jumped up and ran out to see what was the matter. I found papa and mamma standing on the forch, anblizing. Two men were standing between the house and the barn. As I came out on the porch one of them know just what was happening, but I remember hearing one say to my father: 'Well, we have got you this time. |

Bound Father and Brothers.

"Then my two brothers came out of able to handle the crowd. the house and the bandits made them heads. While mother and I stood and watched them the man whom I afterward found out to be Rogers laid his rifle down and went to my father and brothers and tied their hands and feet; then he did the same to the hired men.

"When he finished that he came back and picked up his rifle and began laugh." and picked up his riffe and began laughing. Loveall asked father if he hall money. A big catalogue of bargains any money in the house. We want

...e girl then tells about the men go at unheard-of low prices.

Diacing her in a buggy and driving

Tunly a sensation in cloth One of the men gave her his coat and ever quoted during the past ten years.

Tramped in Bare Feet.

"We sat there in the dark and ate the lunch they had brought with them. Sixth avenue, from the largest and By this time I saw that they were not most elegant display of clothing ever going to hurt me, so I got some of my shown in this country, and \$1 of your nerve back and managed to eat some- money buys \$2 worth of Clothing! thing, for I was awfully hungry.

A few minutes examination of our and said; Well, I must be getting back; you two had better go up to Jack's springs and wait tor me there.

"It was getting light by this ome and Riogers and it started up to the not him. My feet well ease of the two times will be and Pants at a bargain which light was miniping, and Rogers swore at me because I was going so slowly. However, it wasn't very long before we spring, back of thou they call dack's spring, back of the back of the said times and the spring, back of the said times and hide. He never put his nands on me after we got inside the place, and never apoke to me but once, when me said; 'I think we fooled them.'

'Then all of a sudden I heard the holse of an automobie and knew that had been found. Rogers knew it too, for he tumped up and ran to the bollet abilities of the barried of a minute, and men came running over where I was sitting ride and signed for a minute, and men came running over where I was sitting fifth. He put one arm around the cover in the barried of his ride and was going to do with me, so didn't fight. He put one arm around the cover in the saw us he say us the doublers, and the barried of his ride and was going to do with me, so didn't fight. He put one arm around the cover in the saw us he cappon and saw three men jumping over the rocks at I run, coming toward us. One, if found out afterward, was Dr. Seebery, When he saw us he stopped and fred two shots. Then Rogers fried. I do the same he saw us he sopped and fred two shots. Then Rogers fried. I do the same he saw us he sopped and fred two shots. Then Rogers fried. I do the same he saw us he sound been founding for me stop and begin to fee. None of the builtes came near us but Rogers thew me down behind the rock reef the nouse. Saving "Lee there," I coulded down he cannot do the county for the same hear to show the same hear to show the read the county for the same hear to show the same hear to show the read to the county for the same hear to show the same hear to show the same hear to show t
